**In 2015, thousands of Special Olympics athletes will be the true stars.**

## Be a HERO by becoming a Delegation Liaison!

Apply now to be a part of the biggest event in Los Angeles since the 1984 Olympic Games. The Special Olympics World Games Los Angeles 2015 is seeking individual volunteers who have big hearts, big smiles and a big commitment to the mission of Special Olympics to play a major supporting role to our stars – the 7,000 Special Olympics athletes representing 177 countries who will compete in the World Games.

### WHAT IS A DELEGATION LIAISON (DL)?

The role of Delegation Liaison (DL) is a high-profile, vital volunteer position that will travel with a delegation from arrival at the airport to departure. Selected by a member of the World Games Delegation Services Team, DLs bridge the gap between delegations and event staff and help enhance the delegation's experience at the World Games. The DL will be assigned to a particular delegation and must be proficient in the language and culture of the delegation. The DL will work closely with the Head of Delegation (HOD) and accompany the HOD to all official meetings and events. The DL will reside overnight with the delegation during the Games. Meals will be provided.

### WHAT'S IN IT FOR YOU?

You will be making a significant impact in the lives of the Special Olympics athletes coming to the Games. You also will be participating in the organization of a once-in-a-lifetime event, which makes for a GREAT resume item.
